

The Future of Sacramento's Climate Begins Today

February 28, 2021, 3:00 p.m. – 4:30 p.m.

What happens today dictates tomorrow.

Understand how climate change affects us every day.

Learn about Climate Action Plans (CAP).

Act now to support our local CAPs for a healthier, just and prosperous community.

No one who has lived through the last several smoky summers can ignore climate change. But how can an individual take on a global problem, the biggest challenge that humanity has ever faced? NCJW Sacramento is joining with a partnership of environmental advocacy groups to explain the challenges and discuss how each of us can be an active local advocate for climate change.

Partnering with: 350 Sacramento, Sierra Club, ECOS, Citizens' Climate Lobby, The Community Resource Project
